

TERMS OF BUSINESS

Facts about our insurance services

This document sets out the terms upon which we agree to act for our clients and contains details of our regulatory and statutory responsibilities. It also sets out some of your responsibilities. Please read it carefully.

ABOUT OUR COMPANY

Status Insurance Management Ltd trading as Europesure Direct is a specialist insurance intermediary, authorised and regulated by the Financial Services Authority (FSA) in the United Kingdom to transact general insurance business. Our FSA Registration number is 305697. You can check this information on the FSA's Register by visiting the FSA's website at www.fsa.gov.uk or by contacting the FSA on 0845 606 1234.

OUR PRODUCTS AND SERVICES

We offer the insurance products of one insurer only.

You will not receive advice or a personal recommendation from us. We will provide you with information about the policy, leaving you to make your own decision as to whether it is suitable to meet your particular requirements.

INSURER SECURITY

Whilst we monitor the financial strength of all insurers with whom we place business, it should be noted that the claims-paying ability of even the strongest insurers could be affected by adverse business conditions. We cannot, therefore, guarantee the solvency of any insurer or underwriter.

A liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent.

DISCLOSURE

You are responsible, on an ongoing basis, for providing us and/or your insurers with all material facts relating to the insurance covers we arrange on your behalf. Material facts are those which are likely to affect the assessment and acceptance of risks being insured. Failure to provide full and accurate information may mean that your cover is invalid. If you are in any doubt as to what facts are considered to be material then you should disclose them to us or your insurers.

CHARGES

Unless we tell you otherwise when you take out or renew a policy through us, we make no charges in addition to the insurer's premium.

HANDLING CLIENT AND INSURER MONEY

We hold all premiums collected for onward transmission to insurers and return premiums due to clients from insurers in a Client Bank Account as agent of the insurer in accordance with FSA rules.

For the purpose of some transactions, please note that client money may pass through other authorised intermediaries before the insurer receives it.

Client money will be deposited with a UK clearing bank, the name of which is available on request. Please notify us immediately if you do not wish us to use this bank.

Interest will not be paid to clients in respect of money held in client bank accounts.

CONFIDENTIALITY

All information provided by our clients is treated as confidential and only disclosed in the normal course of negotiating, arranging and administering your insurance. This may include disclosing information to agents and service providers, such as claims handlers.

With a few exceptions, for example information requested by a court, a regulatory body, or information which is already in the public domain, we will not release information to any other party without your consent.

We may also use the data we hold about you to provide you with information about other products and services which we feel are

appropriate. You are requested to let us know if you do not want to receive this information.

We are registered under the Data Protection Act 1998 and undertake to comply with the Act in all our dealings with personal data.

QUOTATIONS

Unless we tell you otherwise, all quotations provided are valid only for a period of 30 days from the date of issue.

PURCHASES

Purchases through our website are deemed to be made when validated on the website. Purchases can only be made by using a valid debit or credit card. If payment by card is declined Europesure and the insurer reserve the right not to honour your purchase. When a booking is made using a non-UK credit card the card issuer may debit your account in your local currency at the exchange rate applicable on the date of processing. A conversion charge may be applied by the card issuer.
